FIRESTONE, Colo., Nov. 18, 2016 /PRNewswire/ -- CalAtlantic Homes, one of the nation's largest homebuilders, today announced the Grand Opening of six new single-family home designs in Barefoot Lakes, a master planned community surrounded by lakes and trails, offering residents new adventures at every turn in Firestone, CO. The public is invited to tour CalAtlantic's new models at Barefoot Lakes during a Grand Opening Celebration being held on Saturday, November 19 from 10am to 6pm.

"Barefoot Lakes brings together everything that Colorado residents love about the outdoors, with trademark CalAtlantic home designs that create an ideal setting for spending time with family and friends," said Dan Nickless, Denver Division President for Cal Atlantic Homes. "The community offers the perfect formula for growing families and those wanting to downsize without sacrificing neighborhood living."

Ranging from 1,800 to 2,500 square feet, Barefoot Lakes offers one-story ranch and two-story designs ranging from two to six bedrooms and two to four baths. These innovative floorplans feature generously-appointed living spaces with dramatic two-story Great Rooms that flow into gourmet kitchens with oversized islands and walk-in pantries.

Strategically placed windows bathe each home in natural light and create an environment that both complements nature and celebrates life. This atmosphere extends into the neighborhood's streetscapes, where traditional Colorado-style designs are enhanced with thoughtfully integrated stone and architectural details. Pricing begins in the upper \$300,000s.

Barefoot Lakes is situated within a 1,300-acre master planned community encompassing 100 acres of manmade lakes and more than 150 acres of regional, community and neighborhood parks. Residents will enjoy access to activities including swimming, kayaking, camping, fishing, hiking, biking, gardening and sports. Adjacent to all of this is the tree-lined St. Vrain River, a blue ribbon fishing area.

Firestone is a growing town located north of the Denver metro area, midway to Fort Collins and 25 miles east of Boulder. Only one mile from I-25 and with easy access to Highways 66 and 119, Barefoot Lakes is ideal for residents commuting to any of these employment centers. A mix of retail and dining amenities are also nearby, including a grocery-anchored center and multiple malls and outlet centers.
