

CalAtlantic Homes Introduces Salem Creek, New Townhome Community Near Downtown Apex, NC

APEX, N.C., June 16, 2017 /PRNewswire/ -- CalAtlantic Homes, one of the nation's largest homebuilders, introduces Salem Creek, a contemporary new townhome community offering an ideal residential location just a short walk from downtown Apex, NC. The public is invited to tour the new model home and experience Salem Creek this weekend.

"Salem Creek's central location and thoughtfully designed floor plans set this community apart from the competition," said Troy George, Raleigh Division President for CalAtlantic Homes. "It is a win-win for residents who will enjoy the community's design as well as its close proximity to downtown Apex and its mix of shops, restaurants and events."

Townhomes at Salem Creek range from 1,587 to 2,311 square feet, with two to four bedrooms and two-and-a-half to three baths. These three-story home designs make the most of every square foot, with an open architectural concept and modern urban finishes that add comfort and polish to the community's six innovative floor plan options.

Each home features a bright and welcoming second-story Great Room that flows easily into a modern kitchen. Together, these spaces create the perfect backdrop for entertaining and spending quality time with family and friends. Residents will also enjoy a first-floor game room, generous third-floor owner's suite with a spa-inspired bath, and a one- or one-and-a-half-car garage. Homes can be further personalized with first-floor powder rooms, covered decks and guest suites.

With a price point starting in the mid \$200,000s, Salem Creek is a price-friendly way for homebuyers to establish themselves in a stunning new townhome, in the heart of Apex, less than one mile from the historic downtown corridor and just three miles from the 160-acre Nature Park and Seymour Athletic Fields, featuring lighted tennis courts, sports fields, sand volleyball courts, playgrounds and picnic facilities.

Salem Creek is within minutes of nearby shopping, dining and entertainment. It is also almost equidistant to I-540, Highway 1 and Highway 64, providing quick access to the employment corridors of North Carolina's booming Research Triangle. Children living within Salem Creek are eligible to attend Beaucom Elementary School, Apex Middle School and Apex High School, part of the Wake County Public School System.
