These amenities are part of Lennar's signature Everything's Included® program, which delivers the homebuilder's most popular options and upgrades as part of the base price of the home. In addition to smart home technology and upgraded kitchens and baths, this includes features like luxury vinyl plank flooring in main living areas and upgraded carpeting in bedrooms. As part of the community's low-maintenance lifestyle, residents also receive weekly lawn maintenance and winter snow removal. Pricing begins at \$290,000.

Manchester Estates is within walking distance to the Village of Zionsville, featuring premier dining, shopping and entertainment. Residents also have direct access to the 7-mile Zionsville Rail Trail biking and walking path and can enjoy the area's many playgrounds, parks and athletic fields.
