

Lennar debuts Republic Meadows in San Antonio

SAN ANTONIO, Feb. 28, 2020 /PRNewswire/ -- Lennar, the nation's leading homebuilder, announces the grand opening of Republic Meadows in San Antonio's popular Brooks City Base area. Home shoppers will have the choice of nine different floorplans to choose from at a variety of price points providing ample options to meet the needs of families at every stage of life.

"Lennar at Republic Meadows will provide families an affordable new home option. Rather than having to rent or purchase a used home, they will have the opportunity to own new," said Brian Barron, Division President of Lennar San Antonio. "New homeowners should expect a lavish living experience at a low cost."

Ranging in size from 466 to 1,950 square feet of thoughtfully designed living space, the homes at Republic Meadows offer one to four bedrooms and one to two-and-a-half baths. Prices start from the \$130,000s.

Republic Meadows will offer homeowners Lennar's signature Everything's Included® program that provides upgraded features at no extra cost; including granite countertops, luxury hard surface flooring, and a full stainless-steel appliance package.

Republic Meadows is located in Southeast San Antonio only four miles away from Brooks City Base and offers easy access to Loop 410 and Interstate 37. City Base's new East and West shopping centers are in close proximity; offering fine dining experiences, shopping, major grocery stores, and popular entertainment for the entire family!
