

Lennar announces opening and virtual tours of last east-facing Palisades homes at SF Shipyard

SAN FRANCISCO, Oct. 28, 2020 /PRNewswire/ -- Lennar, one of the nation's leading homebuilders, announced today the October 31 opening of the final east-facing phase of Palisades, part of the vibrant SF Shipyard community in the South Waterfront/Hunters Point area of San Francisco. Limited opportunities remain with expansive, east-facing bayfront vistas. Many more Palisades homes with waterfront views are still available, as well as homes in the Shipyard's Monarch and The Landing condominiums. Interested home shoppers should visit the [community website](#) or call 415-975-4181 to schedule an appointment with a Sales Counselor for an on-site tour, or to arrange a self-guided tour.

"We are excited to introduce this next phase of the Shipyard community to Bay Area home shoppers seeking great design in a thoughtfully planned community setting," said Garrett Chan, Vice President of Sales for Lennar at The San Francisco Shipyard. "With stunning views available on select home sites, unparalleled amenities and a unique waterfront location, there really is no other place like it in the city."

Situated along perimeters of the Hilltop, select Palisades homes offer stunning views of the San Francisco Bay, downtown skyline, Oakland Hills and Peninsula.

Palisades' spacious townhomes feature private entrances, two-bay garages and private rooftop decks. The floorplans include thoughtful design details, while the rooftop decks leverage the sunny microclimate, providing the ideal backdrop for entertaining family and friends. Through its distinctive design, these townhomes offer the functionality and privacy of a single-family home, with the ease of a condominium and includes hardwood flooring, gourmet kitchens, elegant finishes, and European appliances.

Every home at Palisades also exhibits Lennar's innovative Wi-Fi CERTIFIED™ home designs and signature Everything's Included® features. The homes have been designed for whole-home connectivity with no dead spots. Additionally, a whole series of high-end features, such as stainless-steel Bosch® appliances including refrigerator and a built-in microwave, washer and dryer, quartz countertops with matching backsplashes, integrated home automation features voice activated by Amazon Alexa and so much more – all come included at no additional cost.

The lifestyle at The San Francisco Shipyard would not be complete without the community's unique amenities. Multiple parks preserved open space, public art installations, gorgeous bay views, a playground and The Storehouse – an onsite specialty general store – are all to be found within the masterplan community. It is located close to a variety of shopping, dining and entertainment options in Dogpatch and Bayview, along with a quick and easy access to downtown, the Peninsula and other destinations.
